About Sonia & Theophany School

Since 1997, Theophany School has offered excellence in early childhood education for the Greater Boston area, providing challenging academics through a creative, family focused approach. With small class sizes, engaging curriculum, and a loving Christian environment, Theophany School strives to cultivate the minds and hearts of students to encourage a love of learning, service, and respect for the other.

Certified by the Massachusetts Department of Early Education & Care, Theophany School embraces students and families of all faiths and backgrounds, and welcomes the diversity of knowledge and experiences they bring to the school. Families can choose from a variety of multi-age learning options including 3 or 5-day Preschool and full-day Kindergarten.

Sonia Daly Belcher, one of the main founders of the school, unexpectedly passed away in 2008 at age 32 from an unknown heart condition. Sonia is survived by her husband Fr. Nicholas Belcher, and their son.
